Letter of Guarantee for Products Sold by Michael Farms, Inc.

Michael Farms Inc. guarantees the implementation of good management practices for the safe production of food. This letter of guarantee is to ensure that products sold and shipped to our customers contain no added chemicals and have been handled in a manner to minimize contamination from biological, chemical, and physical hazards.

Any product sold and delivered to our customers are guaranteed as of the date of such shipments or delivery to be not adulterated, misbranded or unsafe within the meaning of the Federal Food Safety Modernization Act (FSMA), the Food, Drug and Cosmetic Act, the Fair Packaging and Labeling Act or within the rules or regulations set forth by the Food and Drug Administration, U.S. Department of Agriculture, The Ohio Department of Agriculture, and local guidelines.

This guarantee includes maximum pesticide residue levels (MRLs) are never exceeded, where chemicals are applied for crop protection and to ensure product quality, only by licensed applicators according to strict Federal, State, and local guidelines and in accordance with manufacturer's label of EPA approved products.

Michael Farms implements good agricultural practices and good manufacturing practices in accordance with industry standards and we undergo third party Primus GFS food safety audits for certification.
